

# LET'S VOTE

Gather your friends and family and host your own election!  
Decide what you want everyone to vote on, then fill out the lines with the options  
and cut out the ballots. Once everyone has checked off their favorite choice  
and returned their ballot to you, tally the votes and announce the winner!

# EVERY VOTE MATTERS

Sometimes it can feel like one vote doesn't matter, but Leo learns that each vote makes a difference. Count the red and blue stars, then vote for your favorite color by coloring in the white star. Recount the stars—which color wins?
