# COLOR MIXING

- 1) Grab two colors of dough and place in the first two circles.
- 2) Take a little of each color and place in the last circle.
- 3) Mix them together to create a new color!

# COLOR MIXING

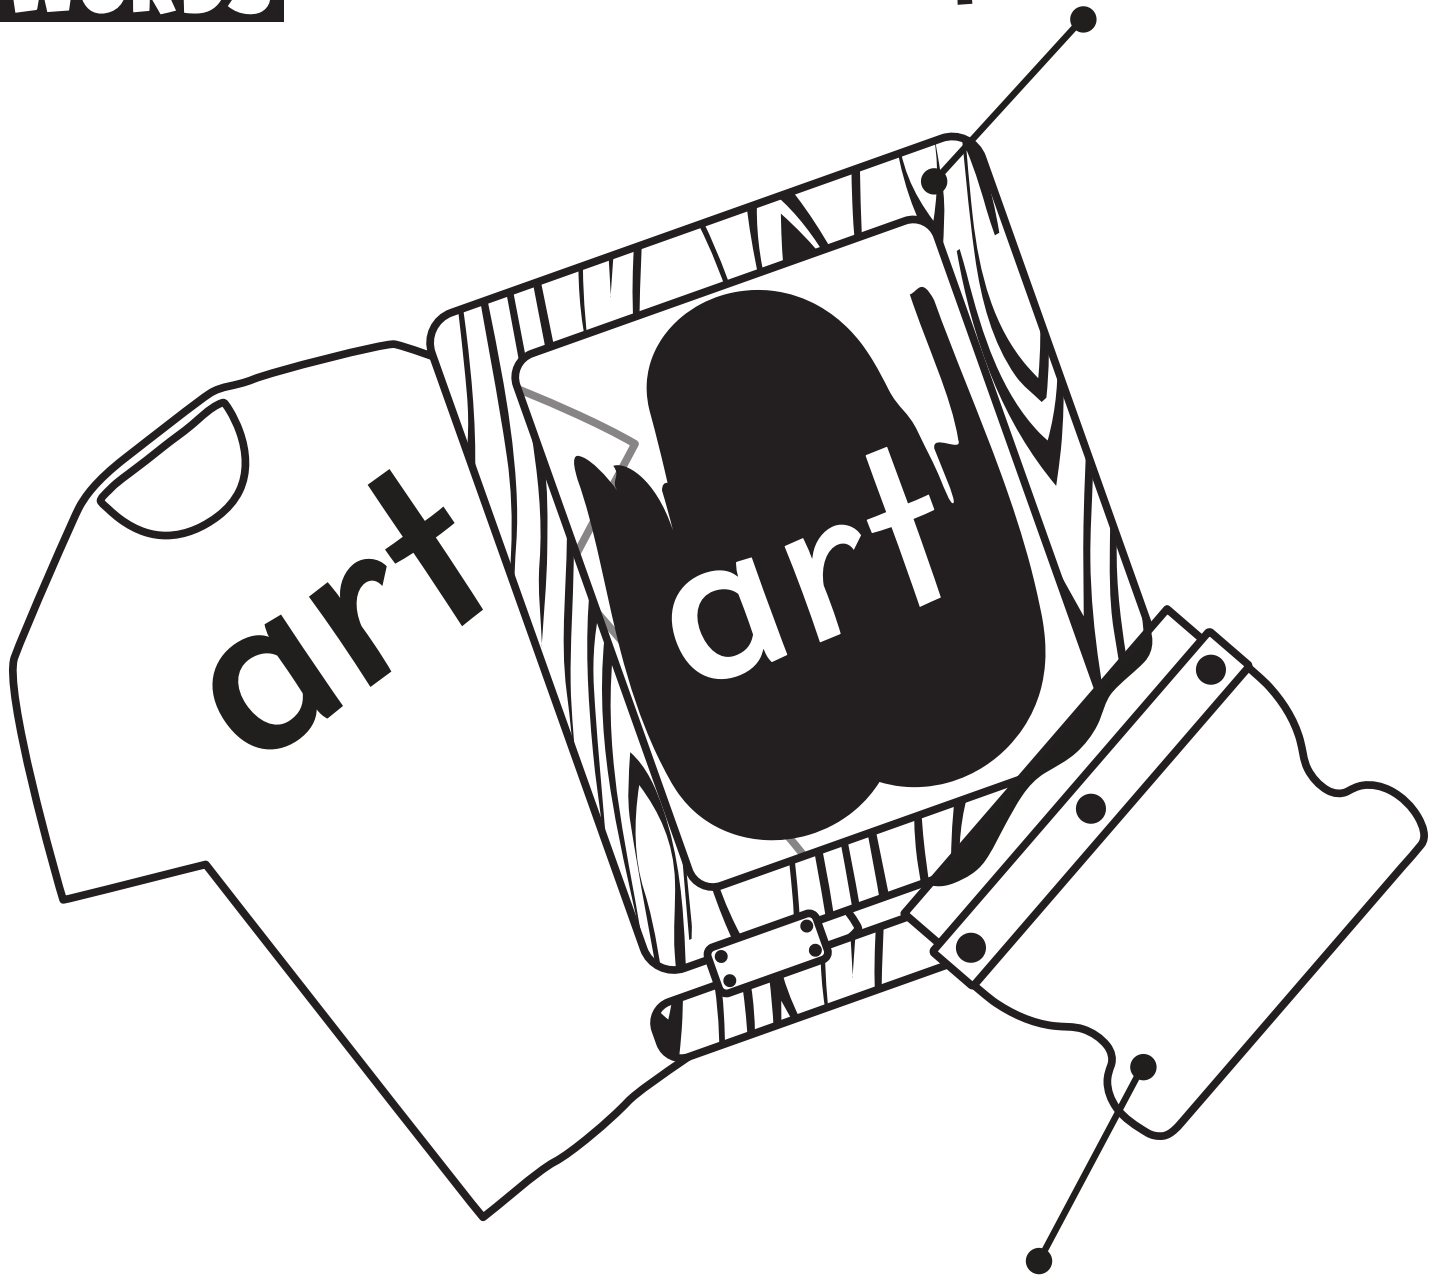

- 1) Grab some dough for each labeled circle.
- 2) Take a little of each color and place in the last circle.
- 3) Mix them together to create a new color!
