An illustration of two birds, one yellow and one red, standing on a long, narrow, yellow and white striped path that extends into the distance. The path is set against a blue sky with large, white, fluffy clouds. In the foreground, there are several tall, thin, brown stems with red, spiky, flower-like tops.

***“Today you are you!
That is truer than true!
There is no one alive
who is you-er than you!”***
