## CREATE YOUR OWN COOLEST CLUB EVER!

Every club needs a super-awesome name. Once you've chosen a name for your club, write it on the sign below. Don't forget to make your club name **pop** by adding fun drawings. With the help of an adult, cut along the dotted lines and hang up your sign!

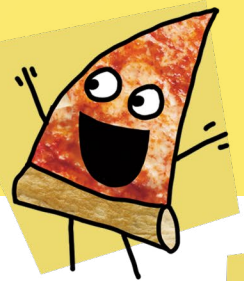

Now that your club has a name, you need members!  
Write down everyone you'd like to join your scrumptious club.

## FINGERPRINT FORENSICS

Fingerprints can be a big clue in any case as no two are the same. Follow the experiment below to analyze your own fingerprints and compare with friends.

### What You Need

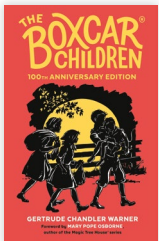

- Washable paint

### Instructions

With a caregiver's permission, start by dipping your index finger in a drop of washable paint. Press your finger into the box below to create a fingerprint. You may need to press your finger several times to get a clear image. Repeat this for as many fingers as you would like.

Compare your prints with a friend or caregiver and notice the differences!

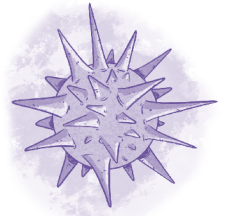

# The MAGNIFICENT MAKERS

## HANDWASHING EXPERIMENT

The Magnificent Makers know a thing or two about keeping germs away. Want to see “germs” scatter? Ask a grown-up for help with this bubbly experiment!

### What You Need

- Small- or medium-size bowl filled with water
- Ground black pepper
- Dish soap

### Instructions

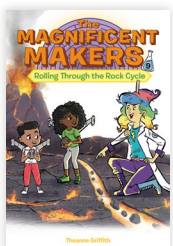

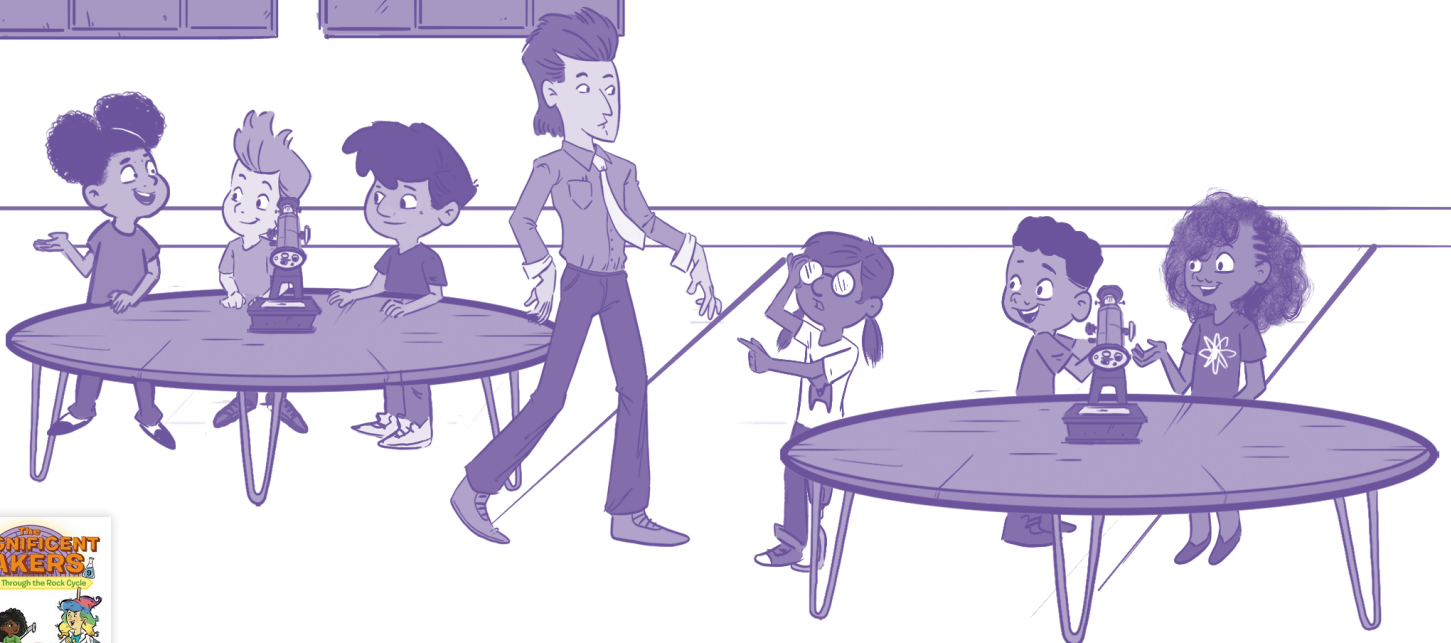

**Step 1:** Start by gathering the materials (bowl, soap, ground pepper, water).

**Step 2:** Pour the water into the bowl and sprinkle pepper over it.

**Step 3:** Cover one fingertip with a small amount of liquid dish soap.

**Step 4:** Stick your finger into the center of the bowl.

**Step 5:** See the pepper “germs” scatter!
