Are You Ready for Your First Day at Unicorn Academy?

Use this interactive checklist to check off these items! Then print out this page and draw a scene of your first day at Unicorn Academy with the checklist items included. What do you imagine your first day at Unicorn Academy will look like?

★ MY PACKING LIST

- Backpack
- Pencil
- Sky berries (a unicorn's favorite snack!)
- Ribbons to decorate your unicorn's mane

Design a Unicorn

At Unicorn Academy, you're given a unicorn best friend of your very own!

What do you imagine your unicorn would look like? Would they have a rainbow mane or pink hooves? It's up to you to decide!

Instructions

Step 1:

Paint your hand, thumb, and fingers any color you like! Press your painted hand upside down to a piece of construction paper. Let dry.

Step 2:

With a marker, draw hooves and a face on your unicorn. Don't forget to draw a unicorn horn! You can also draw a horn on a separate piece of paper, cut it out, and glue it to your unicorn.

Step 3:

You can use either colorful yarn or markers for this step. Take pieces of yarn and glue onto the unicorn to create the unicorn's mane and tail. If you do not have yarn, you can use markers to draw the mane and tail.

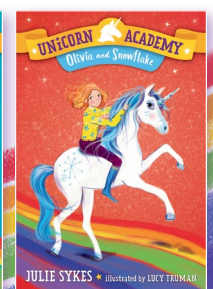

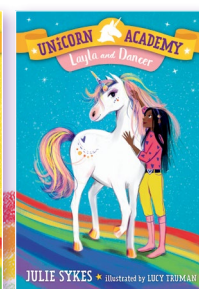

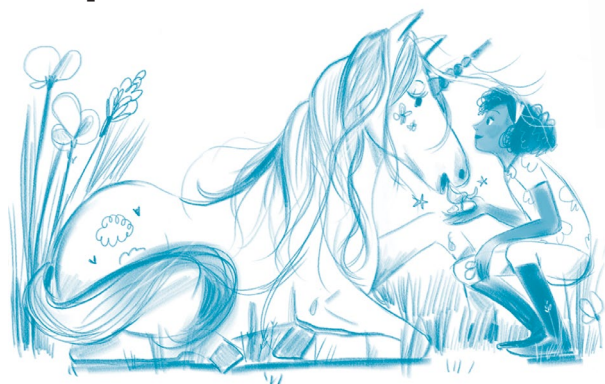

Step 4:

Give your unicorn friend a name! Some name ideas are Rainbow, Sunshine, Glitter, and Sparkle!

What You Need

- Construction paper
- Paint
- Crayons, colored pencils, or markers
- Optional: yarn, glue, and scissors

Ask a grown-up's permission before using scissors!
